

## HOME AND NEIGHBORHOOD

Where do you live now?

---

What do you like about where you live now? (Some suggestions are to include what you like about the people you live with, the location, the accessibility, and anything else you think is important.)

---

---

---

---

---

---

What don't you like about where you live now? Do you want to make any changes about where you live? (Include things you do not like about your home and what you might like to change. If you would like to move, include what type of place you would want to move to and people you might like to live with.)

---

---

---

---

---

---

What kind of help (people, assistive devices, accessibility, transportation) do you need to live in your own home? (Include who is responsible for providing these supports.)

---

---

---

---

---

---

Is there any other kind of help you would like or need in your home?

---

---

---

---

---

---

Using this information, discuss the strategies and/or supports that will be needed and who will be responsible. Include this information in the Strategy/Support section of the plan.
